Discover the World as an Apprentice

#berufsbildungohnegrenzen

Did you know ...

... you can do an internship abroad, during or after your vocational education. There are many opportunities available, in Europe and around the world. We will help you and all parties involved with the organization free of charge.

You should have

- joy in your profession
- a desire for new perspectives
- initiative
- curiosity

How to get started

The mobility coaches from "Training Without Borders" inform you about the possibilities of an internship abroad or an internship in Germany as an incoming, support you with the organization and help you to create an unforgettable experience.

What we offer

- information about grants
- help finding an accommodation
- sourcing a suitable internship company
- providing information about your destination
- answering further questions about your stay abroad

What is in for you

grow as a professional

language skills

experience other cultures

networking

career opportunities

new perspectives

international experiences

independence

get out of your comfort zone

personal development
